The Washington Literary Club was entertained by Mrs. Elmer Downing yesterday afternoon.

David A. Murphy, Superintendent of Construction of the Government Building now in course of erection in this city, is seeing that everything is being done according to specifications and that the material used is up to the standard. The foundation walls will be completed and ready for the laying of the corner stone about January 1st, 1905, when befitting ceremonies will be observed. There will be music, speaking and the booming of cannon, and altogether it will be a gala and eventful day in the history of Maysville.

The venerable Mrs. M. A. Metcalfe, who is past three-score and ten, is recovering from her fall of some four weeks ago at the home of Mrs. Ellen Wood in Sutton street. Mrs. Metcalfe is a resident of California and came here on a visit to relatives. She was born in Washington, being a daughter of Andrew and Matilda Wood, early settlers of the ancient town. She is the only immediate member of the family living. Mrs. Metcalfe is a sister of Wightman Wood of Louisville, George, A. F. and H. W. Wood of Washington, Mrs. Julia A. Morgan of this city and Mrs. Fox of California, all of whom have passed away. There are many honored and worthy representatives of the family, however, living in this city and county.

STANLEY BARTLETT.

Mr. Stanley Bartlett, who married Miss Belle Barkley, a daughter of the late H. C. Barkley of this city, died this morning at his home in Columbus, O.

Yesterday from 4 to 6 Miss Cox of Third street gave a second charming At Home complimentary to her attractive guest, Miss Bass of New York.

Mr. and Mrs. Cox received in the front drawing-room; there also Mrs. Albert and Mrs. Curran greeted arriving friends. Misses Mary Alter Barbour and Myra Duke assisted the hostess in the dining-room, where the sweets of girlhood and viands joyed the appreciative. During the hours, Mrs. Conard Phister sang several beautiful numbers, Miss Yancey and Mrs. Hunt gave interesting recitations and Misses Cox, Bass and Frances Barbour contributed delightful piano solos to the program. The handsome home—a scene of so much gracious hospitality—never echoed more genuine pleasure than was expressed by the guests in their reluctant and lingering goodbyes.

THE ELMORE SISTERS.

There is a sweet, natural unaffectedness about the work of these young actresses that is really charming. They sing well, and are certainly the most graceful and accomplished dancers that have ever appeared in this city. They play the parts of "Rosalie, the Farmer's Daughter," and "Truly, the Terrible Kid," in a delightful manner and true to life in "A Devil's Lane," the four act comedy which will appear at The Washington Saturday, matinee and night.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

D. HECHINGER & CO.

"It's not going to swell our heads," but our orders from far distances we almost daily receive, and the nice compliments from the recipients on the goods we send them do make us feel a bit chesky. Notwithstanding the mild weather so far, our November business will be one of the biggest in the history of our house. There is nothing remarkable in that, however. People have long since learned to seek the best for their money, and here is where they find it. Our Young Men's Suits from \$7.50 to \$12.50; our Men's Suits from \$8.50 to \$12.50; our Overcoats from \$5 to \$12.50 are simply better for the price than you can find in any other house in the state. It costs nothing to look. Do that, and we'll soon convince you that we make no idle boasts. Our Boys' and Men's Shoes, like our Clothing, are the productions of the best shoemakers in the world—Hanan, Douglas and Walkover. Did our Shoes not give the greatest satisfaction the rapid growing trade on them would be considered marvelous, but folks soon get on to "GOOD" things, and it is no wonder they come here for good shoes. Our Corduroy Suits and Pants are in great demand. Come in while we have your size.

AND now comes a scientist with the declaration that gold coin collects microbes. What a lucky devil an Editor is, anyway!

ONE day The Lexington Herald republished an editorial taken from The New York World, in which a very curious mistake was made. It stated that "in 1852 FRANKLIN PIERCE received 212 votes to 21 for G. B. McCLELLAN, a majority of 191." The next day The Herald corrected this by saying that FRANKLIN PIERCE ran against WINFIELD SCOTT, and not against G. B. McCLELLAN. If The Herald had stopped right there it would have done well, but it contributed another bit of misfit history—

"General GEORGE B. McCLELLAN was the nominee of the Democratic party against General GRANT in 1864, and was overwhelmingly defeated by General GRANT, none of the Southern states being permitted to cast their electoral votes in that election."

Surely, The Herald's Editor has gone a-fishing. In 1864 General GRANT had other business than running for President; the Civil War was in full swing, and he was on the firing line; and that's one reason why the Southern states were not "permitted" to cast their electoral votes for McCLELLAN, who was in that year the Democratic candidate. The Republican nominee against McCLELLAN was ABRAHAM LINCOLN. GRANT ran for President for the first time in 1868.

THE Campaign Editor of The Bully-kind did the very best he could with a bad cause—even to suppressing that portion of THE LEDGER'S Hilltop figures which were printed for the sole purpose of showing that the vote of Roosevelt-Kehoe-Bennett were out of all relative proportion when compared with the Belknap-Slaterry-Dauni vote in the same Precinct. But he is forgiven.

In its report of the final meeting of the Jefferson County Election Commission The Courier-Journal says—

"Before the Commission adjourned Congressman SHERLEY magnanimously asked that the vote of the Eighteenth Precinct, Second Ward, which gave his opponent a majority of 105, be counted. Failure of the election officers of the Precinct to certify the vote had caused it to be thrown out. The Commission agreed to count it, which reduces Mr. SHERLEY's majority in the city and county to 1,483. The same vote was also subtracted from the majorities of the other successful Democratic candidates. Magistrate ED MEGLEMY also asked the Commission to count the vote of the Fifteenth Precinct of the Fifth Ward, which so far as the Magistrate's race was concerned was thrown out for lack of certification. The Precinct went for Captain H. N. GIFFORD, Magistrate MEGLEMY's opponent, by 130 votes. This places Magistrate MEGLEMY's final majority at 153."

The Courier-Journal calls this "generosity" on the part of the successful candidates; but it will impress the outsider with the "flexibility" of Kentucky election officers, when they are willing to alter results at the mere request of the candidates voted for. If the votes cast for Mr. SHERLEY's opponent—Hon. WILLIAM C. OWENS—were legally thrown out, surely the Commission had no right to count them upon the mere request of Mr. SHERLEY. And if the Commission has such right, has it not an equal right to throw out any Precinct upon request of a candidate?

Colonel George Gibson Burrows fell from a step ladder at Hechinger's Monday evening and sprained his arm so badly that he is compelled to carry it in a sling. He was reaching for goods on a top shelf and lost his balance. They say when the Colonel's avoirdupois came in contact with the floor the employers of the house ran forward from the rear thinking the front of the building had caved in.

Circuit Court.

In the Circuit Court yesterday George Ramey was acquitted of the charge of incest. The twelve-year-old daughter reversed her testimony from what she had sworn to in the examining trial—where she gave positive evidence that her father was guilty of the heinous crime—and said he was innocent of the charge against him. He has been in Jail for six or seven months.

Miss Lida D. Woods was appointed an Examiner for Mason county.

Shore ice formed along the Ohio Saturday and Sunday nights.

Rivermen are confident no rise in the Ohio will occur until the middle of December.

The Ohio is lower from Pittsburgh to Cairo than it has been for thirty years.

There was a heavy snow at the headwaters of the Monongahela last Sunday. This is a good sign of a rise soon.

It has been more than five months since any coal has passed down on the Ohio river. If there is not a rise very soon a coal famine will threaten the towns along the stream.

On account of the fast falling waters and the approaching cold weather, rivermen are afraid that the river will be closed and they will have an experience similar to that of last winter, when navigation was closed for more than six months.

At a meeting of the Maccabees in G. A. R. Hall Monday night a class of eight were inducted into the mysteries of the Order.

RESIGNED AS PASTOR

Rev. James Wood Pogue of Cincinnati Enters Seminary Work

In order to accept an important chair in a Theological Seminary in Chicago, a work in which he has long desired to become engaged, the Rev. James Wood Pogue has resigned as Pastor of the Fifth Presbyterian Church, Clark and John streets, Cincinnati.

His determination to assume his new duties came as a surprise to the members of his congregation, the announcement having been made Sunday at the close of the morning service.

Mr. Pogue, Saturday at noon, received a telegram offering him the Seminary place, and it was necessary for him to accept or reject it at once. After consulting with his friends he wired his acceptance, and started Monday for his new field of labor.

A congregational meeting of the Church of which he has been Pastor will be held December 11th to act on the resignation.

Mr. Pogue is a brother of Mr. Henry E. Pogue and has many relatives in this city.

No Poison in Chamberlain's Cough Remedy.

From Napier (New Zealand) Herald—Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest, and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by all Druggists.

OWENS—STRODE.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut. The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

Mr. Editor—In looking over the official vote of Saturday's primary I find that the combined vote of Mackey and Rice was 2,877. I find also of this vote 1,160 refused to vote for McKnight, 910 refused to vote for Newell, 812 refused to vote for Wood, 1,107 refused to vote for Slattery and 1,104 refused to vote for Wells, all of the above having no opposition. Now this showing evidently means something. Will some Democrat please say what it is? A candidate who has no opposition and who is perfectly satisfactory to his party should certainly make a better showing. Can it be possible that there are breakers ahead?

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says H. The Effective Remedy

WASHINGTON, IOWA, April 4, 1903.

I was troubled for over a year with so scanty a flow that it was virtually suppression. A heavy cold superinduced this condition and nothing I could do seemed to help me. The only effective remedy I ever found was Wine of Cardui. Within two weeks I felt the good effects of the medicine and after I had used 13 bottles in all I was as healthy and regular as any woman could wish to be.

My sister used it while expecting to become a mother and found that it made childbirth comparatively easy and after the child was born she found that it helped her to regain her strength.

James Root

WINE OF CARDUI

Wine of Cardui cures nine out of every ten cases of the disorders of menstruation. These cures are permanent, whether the trouble is complicated or not.

Wine of Cardui cures the sickness of young girls, relieves the weakness of adults, banishes leucorrhoea, headaches, backaches and nervousness and eases the crisis attendant on the change of life.

Thousands of mothers besides Miss Root's sister have found grateful relief from the pains of childbirth and have had a quick and happy recovery from its use. You cannot afford to suffer when \$1.00 bottles are sold by all druggists.

Carpets and Rugs!

Curtains are also offered in this sale.

MISS NELLIE A. BAKER
CURED OF A DANGEROUS COUGH
BY VINOL.
Druggist John C. Pecor Says Vinol is
the Best Cure for Chronic Coughs
and Colds Known to Medicine

Said Mr. Pecor: "The unquestionable testi-
mony which we are constantly publishing—our
opinion so often expressed in regard to the re-
markable curative value of Vinol—our guaran-
tee to return money in every case where it fails,
and, above all, the fact that it is not a patent
medicine but a pure cod liver oil preparation
without oil or drugs, should lead every person
in Maysville suffering from chronic coughs, colds
or bronchitis to at least try Vinol in preference
to anything else."
Miss Baker writes: "For more than a year I
suffered with a hacking, obstinate cough from
which I could get no relief. Cough medicines
did me no good whatever and upset my stomach,
but since taking Vinol my cough has entirely

disappeared. I have gained seven pounds in
weight, and I am in better health than I have
been for years."
The reason Vinol cures when all other cough
remedies and preparations of cod liver oil fail
is because it contains in a concentrated form
all the curative, strength-creating elements of
cod liver oil actually taken from fresh cods'
livers but without any oil or grease to upset the
stomach and retard its work.
Mr. Pecor says: "We have never sold a medi-
cine in our store equal to Vinol for coughs,
colds, bronchitis, or to build up the run-down,
tired, overworked and debilitated. It is simply
a wonderful strengthener and invigorator for
old people, and we ask the people of Maysville
to try Vinol on our strong guarantee." JOHN
C. PECOR, Druggist.

All Maysville People Have To Do Is To
Follow Their Neighbors Advice.

Maysville. They are on every highway and
byway. "He who runs may read." Investi-
gate this example:

Mr. Henry Bertram, boots and shoes, of 225
Market street, says:

"The great value of Doan's Kidney Pills are
quickly proven. I procured them at J. Jas.
Wood & Son's Drugstore, corner of West Sec-
ond and Market streets. In a very short time
I was cured of backache which had troubled
me for some time. I gave some to a friend
who suffered greatly from kidney ailments, and
he said the results obtained from their use
proved that Doan's Kidney Pills are a prepa-
ration which possess remarkable value."
